

Curriculum Information

Eagles - Spring Term 2018

How you can help your child:

- Hear your child read regularly.
- Use practical maths activities in the home (weighing, measuring etc).
- Support your child to complete learning log tasks.
- Practice spellings that are sent home.

Mysteries and Puzzles

Information about our theme

Eagles will be learning about the mysteries of the Ancient Greeks and their influence on the world today. Our detective skills will help us uncover the secrets of Tom's Midnight Garden. Why does the clock chime thirteen? Why does Tom have to stay in his room, and who is the figure in the garden? We can't wait to unravel the mystery. There will be puzzles to solve so we will be making jigsaws using aboriginal art work and challenging ourselves with mathematical puzzles and investigations. Eagles will also be preparing themselves for their very exciting trip to Whitby in April where there will be plenty of opportunities to use their geographical and historical enquiry skills. There will also be plenty of opportunities for the Eagles to practice their Character Virtues they are learning through our new PHSE curriculum. This term a swim kit will be needed on Thursdays, as well as a PE kit on Wednesdays.

St Luke's Primary School

At

- Listening to a timeline of influential music styles.
- Developing an understanding of the history of music.

Maths We will be learning to:

- Interpret negative numbers in context, counting backwards and forwards through zero.
- Solve number problems and practical problems involving place value.
- Read Roman numerals and recognise years written in Roman numerals.
- Know and recite all times tables including division facts; identify multiples and factors, including common factors of two numbers.
- Identify prime numbers up to 100 and know primes up to 19; understand the vocabulary of prime and composite numbers; identify prime factors.
- Identify, name and write equivalent fractions; reduce fractions to simplest form, including tenths to fifths, hundredths

English We will be learning to:

- Select appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning
- Write legibly, fluently and with increasing accuracy
- Read and perform poetry aloud to entertain and convey meaning.
- Use drama to develop the characters in Tom's Midnight Garden.
- Write a recount, from Tom's point of view, about his experiences.
- Write a postcard from Tom to his brother Peter.
- Use precise vocabulary to describe characters, settings and plots in stories.

Knowledge and Understanding of the World

R.E

We will be thinking about:

What do religions say to us when life gets hard?
What are the deeper meanings of festivals and why is Easter so important for Christians?

Geography/History

We will be learning about:

- The location of the countries of the world
- Using maps to focus on environmental regions
- Ordnance Survey maps; symbols, key and 4 figure grid references
- The Ancient Greeks
- Historical interpretation and enquiry.

Computing

We will be:

- Using the internet for research purposes and digital imagery.
- Continuing to learn about internet safety
- Coding and data logging

Physical Development

We will be:

- Developing a variety of PE skills with the PE coaches.
- Taking part in swimming lessons at Glossop pool.
