

How you can help your child:

- ❑ Reading is the most important daily homework for children to do. In particular, developing a wider understanding of vocabulary.
- ❑ Homework will be given on a Monday and Friday via Seesaw.
- ❑ PE with PAS is on a Wednesday. Please make sure children have a PE kit in school at all times. A t shirt, shorts and pumps are ideal for our indoor PE. Joggers, trainers and a fleecy top are useful for outdoor work, as it can still be chilly at the start of this term. Please do not send your child with a football shirt for PE.
- ❑ Our other PE session will be on a Thursday.

Let's Imagine

St Luke's Primary School

Merlins

Summer term 2021
Curriculum Information

Maths

We will be:

- Becoming fluent with our multiplication and division facts, particularly focusing on X7 X8 X9 and X12.
- Being proficient in all four operations including long division.
- Reasoning with number and solving problems.
- Adding, subtracting, multiplying and dividing fractions.
- Finding fractions of amounts, simplifying fractions and ordering them.
- Using decimals and percentages.
- Interpreting statistics eg pie charts and line graphs.
- Understanding how to use ratio.
- Identifying common factors, square numbers, prime numbers and multiples.

Physical Development

We will be:

- Working with PAS to improve our rounder's skills.
- Being inspired by the music that tells stories eg Swan lake, Romeo and Juliet etc. Then using the stories to create our own dances to tell these stories.
- Creating our own stories through the use of dance.
- Practicing out athletic skills.

Art/Design Technology/Music

We will be:

- Being inspired by abstract artists, sculptures and architects
- Looking at the art and crafts that the Maya people did, in particular masks.
- Composing our own music to tell a story and listening to pieces of music that tell a story eg Peter and the Wolf, Swan Lake etc

English

We will be:

- Writing newspaper reports, letters, diary accounts, factual reports, biographies, persuasive arguments, poems and stories.
- Using our class books to develop our writing styles and use all our punctuation skills eg The Journey, The Land Of Roar.
- Reading different stories from around the world but particularly Folklore of North America and Native Australia (DreamTime).
- Looking at blurbs, book covers and other tools that authors use.
- Making books using different book art techniques.
- Looking at different types of stories and writing our own in a particular style.
- Discussing favorite authors and books. Creating a book display.
- Being accurate with our punctuation, aiming to us colons and semi colons in particular.
- Expanding our vocabulary through guided reading and writing activities.
- Practicing our spelling rules and the common spellings.

Science

We will be:

- Learning about the human body, in particular the circulatory and digestive systems. As well as revisiting the parts of the skeleton.
- Using the correct scientific vocabulary for the names of organs and processes.
- Discussing how to keep our bodies healthy, focusing on the impacts on the human body from balanced diets, smoking and drugs.
- Revisiting puberty and the changes in our bodies. We will then move onto sexual reproduction and childbirth.

Knowledge and Understanding of the world

We will be:

- Learning about the Mayan civilisation and their importance in History. Finding out about Mexico and its geographical features.
- Discussing about how to keep ourselves safe online and in reality.
- Talking about positive relationships and friendships.
- Looking forward to moving on to secondary school.
